

HOW TO ESTIMATE YOUR MONTHLY RETIREMENT AMOUNT USING THE RETIREMENT INFORMATION SYSTEM (RIS)

*** NETWORK ID AND INTRANET ACCESS REQUIRED ***

(For best results, please use Mozilla Firefox, version 45.4.0 or later)

1. Access the RIS Calculator via your Intranet Browser by typing into your browser bar: "RIS/"

OR via the Retirement Website at <https://retirement.ladwp.com/> by clicking the "ACTIVE" dropdown >

click "Quick Links" > Underneath "Links" > click "Retirement Information System (RIS)"

2. Log onto the system by entering your Network ID and password.
3. Click the Service tab at the top of the menu and select "Estimate Retirement Allowance"
4. Enter the Month and Year for your effective retirement date. If you are married or have a registered domestic partner, enter your spouse/domestic partner's date of birth (DOB).
5. Click Estimate button
6. From the resulting screen, you will get an estimate of your Option Full allowance and the Option D allowance (if you entered a spouse/domestic partner DOB).

You will have the option to modify your average monthly salary.

You may also print a copy of your estimate.
