

WATER AND POWER EMPLOYEES' RETIREMENT PLAN

Annual Member Statement

Date: August 22, 2024

The Annual Member Statements (AMS) for the period ending June 30, 2024, is now available on the Retirement Information System (RIS). All active Plan members with network access can view/print their AMS through RIS, which is available on the Retirement Website at <https://retirement.ladwp.com>.

The AMS provides an annual accounting of what you have on deposit with the Retirement Plan at fiscal year-end. RIS provides your last three statements for you to review and print.

While you are in RIS, explore the system and look at other available functionalities, such as Beneficiary Designation, retirement or Additional Annuity estimates, account balances by pay period, or the progress of your service purchase contract.

If you do not have access to RIS, please call the Membership Section at Ext. 71695 to have a printed copy of your AMS mailed to your home address on file with the Department, or come into our office to explore the additional functionalities. We are open Monday through Thursday from 7am to 3pm. We are available by phone on Fridays.
